across the MENA region. It examines the existing barriers to women ' s access to public decision-making positions, and provides a cross-country assessment of current instruments and institutions to advance women ' s empowerment in the MENA region.

The Progressive Era Section 2 Women in Public Life

There are many fewer women than men in public life; the video below was created to highlight the work the Presiding Officer is doing to change that. The video features newspaper clippings of negative scrutiny of women in male dominated industries, video clips of parliamentary debates and some of our Women in Public Life lectures at the Assembly.
