By now you should have a pretty good idea of what it takes to learn all the notes on all the strings. Remember, learning the fretboard is a continuous process, and you should drill yourself with these exercises until you feel confident in your neck knowledge. This will make you not only a better guitarist but also a better musician.

Learning the Fretboard | Guitar Lesson World

Learning the Guitar Fretboard. The guitar fretboard is the area along the front side of the guitar neck that features inset fret spaces, and inlaid markers. Guitarists press strings down to the fretboard in order to change pitches. With a combination of vertical frets and horizontal strings, the fretboard is essentially a grid.
