Like Blankets, Habibi focuses on themes of sexual repression (and excess) and the oppression of women by religious institutions, and questions society's norms and those in power. However, rather than aiming this critique at white, patriarchal Christianity, the community with which Thompson identifies and the dominant force in American culture, Habibi criticizes and even parodies Islam and Middle Eastern cultures.

My trip to Jordan turned out to be was the most fulfilling possible conclusion to HABIBI book tour. It was hosted by the US Embassy in Amman; worth noting as a reminder that our government cares about the arts (and graphic novels!) and sees them as a vehicle for cultural exchange. This turned out, however, to be a difficult & chaotic time for US Embassies in the Middle East, beginning with the ...

A Conversation about Habibi's Orientalism with Craig Thompson

Craig's stunning artwork is matched by the haunting stories of his characters' lives. Set in a mythical Middle East, at once contemporary and timeless, Habibi is a parable about our relationship to the natural world, about the cultural divide between the First World and the Third World, and about the common heritage of Christianity and Islam.

Craig Thompson writes a good love story. Even to a jaded old curmudgeon like myself, both Blankets and Habibi spoke with an authentically tender and caring voice. Habibi is a joy to hold and to look at. Once you've read the story there are so many insanely detailed pages of Arabic lettering and Moorish decoration that one's eye can get lost in.
