Engine Oil - Halfords

Halfords launched Classic Motor Oil some years back. An utterly conventional brew rumoured actually to be Duckhams Q 20/50, it's naturally available from all its stores nationwide. However the API CE rating the lubricant wears dates back more than 30 years and so this oil is really only suited to low performance vehicles of the 1950s and 60s like Morris Minors and similar.

Servicing Advice - Car Advice - Halfords Autocentres

Halfords oil. I see Halfords are selling a 5/40 synthetic oil for £19.99, any comments as to its suitability. Will there be any problems in going from semi-synthetic to a fully synthetic in a car with 68K miles, P reg. If this message has appeared elsewhere. OOPS. Many thanks in advance.
