Bias is All Around You by Erik Bean, Ed.D.
Journalism is the activity and product of gathering, verifying, crafting and presenting news and information to help citizens make the best possible decisions about their lives, communities, societies and governments. The elements that distinguish journalism from other forms of communication make it essential to democratic societies. These include journalistic independence, a discipline of ...

Journalism - Monash University Handbook
Who While it primarily targets journalists and aid providers, the handbook can be used by anyone. Its advice and guidance are valuable whether you are a news journalist, citizen reporter, relief responder, volunteer, journalism school student, emergency communication specialist, or an academic researching social media.

Verification Handbook: homepage
Journalism as a discipline is becoming increasingly important today. It has to contend with new challenges such as the explosion of social media, heightened commercial competition in the mainstream media and the emergence of the media as a powerful actor in public policy and governance. The confluence of these factors calls for fresh thinking about the teaching and practice of journalism
