harley davidson cooling fan
This fan fits all Harley-Davidson motorcycles, as long as you have a horn installed on the left side of your motor. All my kits have the on-off switch installed on the unit. This is a high quality fan with a chrome plated metal outer cover. The new V-Twin motors are faster and more dependable but run hotter then ever.

Harley Davidson Engine Fans
Harley-Davidson Engine Cooling Fans. If you ride your hog in the city with stop-and-go traffic, a Harley cooling fan could save your bacon. Most Harleys are air-cooled, which makes perfect sense because the wind cools your engine as you ride.
