Sounds of silence not what Harley riders are looking for

Harman Kardon's design goal is to have the highest possible design quality for the price, rather than unnecessary features. The Harman Kardon model 330 series (330, 330A, B and C) from 1968-1979 is an example of the company's design philosophy, a basic no frills stereo transistor receiver but with excellent performance in its class.
