A chance visit to a library on a cold day was the turning point in young Gary Paulsen's life. A librarian gave him a library card and a book, and the teenaged Paulsen discovered that books could provide excellent companionship. His resulting passion for literature has stimulated a wealth of published works for both children and adults.

Does Gary Paulsen have children - Answers

The Hatchet by Gary Paulsen was a great "chapter book" for our family. My boys are 10 and 6 years old. They could remember each night what happened the night before because they really cared about the main character, Brian. My son's 3rd grade teacher is now reading it to her class. Even the "restless" kids are silent and still.
