Hauntings: Dispelling the Ghosts Who Run Our Lives: James ...

This is the first book I have read by James Hollis. I now want to read everything he has written. "Hauntings" is an immensely satisfying text about the unconscious, about human psychology, about life itself. With eloquence and wisdom, Hollis describes all the disparate forces that rattle our psyche and push us off the path. We underestimate the past.

The Website of James Hollis

In Hauntings, James Hollis considers one's transformation through the invisible world—how we are all governed by the presence of invisible forms—spirits, ghosts, ancestral and parental influences, inner voices, dreams, impulses, untold stories, complexes, synchronicities, and mysteries—which move through us, and through history. He offers a way to understand them psychologically, examining the persistence of the past in influencing our present, conscious lives and noting that ...

Hauntings James Hollis

In Hauntings, James Hollis considers how we are all governed by the presence of invisible forms?spirits, ghosts, ancestral and parental influences, inner voices, dreams, impulses, untold stories, complexes, synchronicities, and mysteries?that move through us and through history. He offers a way to understand them psychologically, examining the persistence of the past in influencing our present, conscious lives and noting that engagement with mystery is what life asks of each of us.

Hauntings Quotes by James Hollis - Goodreads

James Hollis sees hauntings as an invitation to rise above the ghost that is haunting you, and as an opportunity to get unstuck and move forward to a life closer to your soul. All with the purpose to (re)connect with the meaning of your life. To a certain extent, we all live in service to the past and to values of our family of origin.
