As we've heard from the many trauma survivors who shared their experiences for this page, healing is possible. Processing your trauma will help you build your sense of inherent worthiness. With a stronger sense of worthiness, you'll start to establish healthier boundaries and your relationships will improve.

Women healing from trauma: A facilitator's guide

The description provided by the National Crime Victim Law Institute states a survivor is "a person who endures adversity, moves through it, and perseveres, or a person with resiliency who remains undefeated." I like that definition. Below, I describe how this definition applies to the four stages that trauma survivors might experience as they heal.

Healing From Trauma A Survivors

From the person who is new to learning their healing and beginning their journey after trauma, to being able to speak and help loved ones help the trauma survivors. This is a great read. I still have not read the whole thing front to back, but it is a book that helps to normalize some of the confusing and scary emotions and symptoms that survivors experience.
