History of Africa 3rd Edition - amazon.com

Shillington's History of Africa remains as relevant as ever. Starting with the origins of humankind and authoritatively guiding readers to the present day, this is a superb account of a vast story, tenaciously placing Africa's peoples at its centre. □ Dr Wayne Dooling, SOAS, University of London, UK The standard textbook on the subject.

Kevin Shillington - Wikipedia

Shillington's survey is quite appropriate for a high school African history class, an undergraduate African history survey or introduction or even as a first book for a graduate African history course. The topics covered here are obviously from an Africanist point of view although there is a minimum, if any, level of bias on Shillington's part.

History of Africa (Book, 2012) [WorldCat.org]

Shillington's "History of Africa" serves its purpose; namely, an introduction and historical survey of the history of Africa from ancient to modern time. The historical accuracy of the text - especially concerning the time before the bronze age - is seriously dubious, and moot at best.
