Amazon.com: FI Lamps for Hitachi 50V500 Replacement lamp ...

It was suspiciously listed as a " UX22203D light engine for hitachi 50v500".... I wanted to know if it was the light engine for the 50V500 which would be a UX22201/d/dr, or was really a UX22203/d/dr and for a 60V500A. It said in the small description that it was a "UX22201 for a 50V500" so it was very misleading.

4K HDR Hitachi Roku TV : Consumer Electronics : Digital ...

The legendary red oval presented by an overheated light engine. YAY! This very short clip doesn't really do the red cloud justice though. This TV is not crisp at all like an HDTV should be.

I purchased a replacement hard drive for my computer with the promise of a \$10 mail-in rebate. The rebate information stated the rebate would be provided in the form of ...

Hitachi - Light engine problem Review 66320 ...

Here is an update. Today is September 20th so my Hitachi 60V500A has been in the shop for a little over 6 weeks. The reason for the delay (as best as I can determine) is that when they received the replacement light engine and installed it, the replacement engine blew out two other circuit boards (a driver board and power board I think).

I have a Hitachi 50V500 and when you press the power ...

Gee, the tv's light engine is bad, imagine this. When calling Hitachi I talked to 3 people and since the tv is 4 years old they will not help. Consumers need to band together as this is a problem with the manufacturer of the light engine since it is a problem with other rear projectors.

There is also some test that should be performed ...

50V500 Hitachi Replacement Parts - Encompass

The technician I talked to said that Visions had some sort of arrangement with Hitachi and if Hitachi would send out a free replacement light engine, they would fix the TV. Otherwise they would probably just give me a new TV. I guess Hitachi gave them the light engine for free because a technician is coming to install it on Monday.
