HMS Ulysses (R69) | Military Wiki | Fandom

HMS Ulysses is one of the top 5 books I have ever read. The setting -- the convoys of materials into Archangel during WWII -- is described so vividly that you can feel the cold wind and the icy spray. The men of the ship, HMS Ulysses, have been pushed past their limit, and have quietly mutinied while in port -- not a "seize the ship" kind of ...

Hms Ulysses

HMS Ulysses was the debut novel by Scottish author Alistair MacLean. Originally published in 1955, it was also released by Fontana Books in 1960. MacLean's experiences in the Royal Navy during World War II provided the background and the Arctic convoys to Murmansk provided the basis for the story, which was written at a publisher's request after he'd won a short story competition the previous year.
