Graham High School: Teachers - Nancy Faris - Presentations ...

'Conceptual physics', of course, is fine as far as it goes and one needs to grasp principles before getting into the more difficult problems. But ultimately physics is a quantitative science and the properly prepared HS student needs to meet that objective. This textbook fulfills that goal admirably.

WebAssign - Holt Physics 2006 edition

your textbook. Much of the material in here is taken from the textbook without specifically acknowledging each case, in particular the organization and overall structure exactly match the 2002 edition of Holt Physics by Serway and Faughn and many of the expressions of the ideas come from there as well.
