The Holt Science & Technology series targets middle school students with courses for Earth Science, Life Science, and Physical Science. See my notes on Earth and Life Science courses at the end of this review. Physical Science is an excellent text for studying matter and energy that should present no content problems for most homeschooling families.

Holt Science And Technology Physical This middle school physical science text book is better than average with plenty of concept simplifying illustrations and down to earth readability. I purchased this for use with an online home schooling program which doesn't have a corresponding textbook and it works well.
