Honda OHC 135cc Lawn Mower [Review]

It is good quality and it works, but if you are thinking - as I did - from the title "GCV160 Honda Carburetor (Original Version)" that this is a Honda carburetor, think again! I didn't return it since I needed a carb and it works (though the default setting runs the engine so fast I'm afraid it will burn it out and the adjustment screw is inaccessible after you install it).
