How-To: Honda CB500 CB550 CB650 Top End Rebuild – How-To ...  
Gas Tank Removal. I thought the tank removal would be a huge chore, but it turned out to be easy. The fuel petcock is the piece to look out for here. It's not fragile, but you don't wanna mess with it. I just cut the fuel line with a utility blade right below the petcock. The tube under the tank, is for fuel overflow.
