Honda S2000 Manual Transmission Fluid

If you can change your oil then you're more than equipped to handle the transmission fluid. The only trick is getting the new fluid into the transmission - to do it you'll need a fluid pump to pump the fluid up and into the transmission. You can pick one up online or buy one from any local auto part store. In this guide I used Pennzoil Synchronesh based on several recommendations from various ...

Changing the Transmission Fluid in the S2000 | A Guy with ...

transmission: Honda MTF. Brake/clutch: Honda DOT3. Rear Diff: Motul 90PA. there's no true perfect solution just keep up on them and the specific fluid doesn't matter that much. The only one I'd say to stick to is the Honda MTF in the transmission, don't bother playing with other stuff.
