Honda CB Twister 125 (CB125F) May Launch in India in 2020
I wrote a review on my Twister a week after I bought it in October 2011 (my first bike, but have ridden before). Had the bike about 4 months now, and she's been real good to me. I do a lot of city riding, and this is where it excels. It's a great commuter, as it turns and corners well, and has enough power to keep you ahead of the congestion.

Honda Twister Engine Review
Honda cb twister can be a good option for lower middle class group as it falls under a reasonable range with a smoothing ride but if we talk about its body, its not very impressive as its metal party
