Maintaining it in great shape for more than 40 years is an impressive feat, one that you're determined to continue with regular upkeep and the best 1974 Honda XL125 parts. At BikeBandit.com, we're ready to help. Our stock of components includes durable, reliable OEM-certified products along with top-rated aftermarket and universal fit products.

Honda XL125V Varadero - Wikipedia

The XL 125 falls short of delivering off-road performance like the Penton, Can Am or even the Kawasaki KS 125. The 11.14 horsepower engine just can't pull the XL around with gusto. On the other hand, the XL 125 offers low operating costs, dependability, quietness and cleanliness—things that more spirited two-strokes don't have.
