### **Horizon Paperback**

Wow, Barry Lopez can write. Lopez considers his urge to look beyond the horizon of the physical world while layering ideas from his youth and his older self. The essays are thoughtful and beautiful and demand a slow read and for this reader—a second read. His thematic threads are layered and nuanced as well as direct.

Lost Horizon became a huge popular success and in 1939 was published in paperback form, as Pocket Book #1. Because of its number-one position in what became a very long list of pocket editions, Lost Horizon is often mistakenly called the first American paperback book, when in fact paperbacks had been around since the mid-1800s.
