Storytime – How Birds Got Their Colours | Early Start ...

One day Dove got his foot caught in a tree branch and called out to the other birds for help. They all came and tried to make the dove more comfortable – all except Crow who didn't do anything. After a while Galah had an idea and bit Dove's foot releasing all the colours of the rainbow on to the birds surrounding Dove – some got a lot of colour, others just a little.

How the Birds got Their Colours - by Mary Albert - YouTube

How The Birds Got Their Colours is an old yarn – a small thread in the vast and intricate web of The Dreaming. Growing up, it was always one of me and my sisters' favourites. It is when the birds receive their splashes of colour – the pink of the Galah and the mixed palate of the Rainbow Lorikeet – that they finally become themselves.
