How to CLOSE/OPEN Power Window when Switch is BROKEN!!

This is how I got my window to roll up on my 2006 F150 when in bind. I do not recommend this as a fix, it's how I did it. Additional Google search also points towards wiring near the hinge on one ...

F150 Power windows emergency roll-up

Once you pull the motor out you can test as described above on your car battery if you want. Either way I'd still pull the little C clip off the gear (use 2 paper clips or small nails or thumbtacks to pry it apart) and then with a screwdriver pop the cover off. Then you'll see the 3 bearings I was talking about.
