Harley-Davidson USA

Anyone out there in HAMBlund ever use rattle can engine enamel on an air cooled motorcycle engine? I was going paint the sporty evolution motor in my little chopper a funkey duplicolor gold, but I'm worried that it might blister at the higher temps an air cooled engine runs. I don't care for the grey powdercoat on the engine now.

Best paint for engine blocks and tranny cases? | The H.A.M.B.
