3600n • 3600dn
Upgraded to new Windows 10 systems and thought this would be easy. Got a new HP multifunction - all good - I tried to install the old, low mileage 3600n - no chance. According to the HP website you are to install "Dot4x64msi" - forget it. Hp tech support says it is an opsolete printer - HP tech supportt is obsolete, rude, and incompetent.
