Editions of Human Development by Diane E. Papalia

I have not read everything in this 640-page book, but I went through it page by page, and found it very interesting. The book is a Human Development manual, explaining how humans become humans - how, from before birth and onto death, we develop and show our humane character to the world: how we learn and socialise, how we face trauma and hardship, what is the importance of learning and social ...
