4 stars for books 2 and 3, Duty and Hunted. Still very good as they continue Gen's story. 3 ½ stars - maybe 4 stars for the last book Sacrifice. There were sooo many battles and journeys. The main characters fight, flee and survive one obstacle, then an emergency happens and they are fighting something else.

Hunted The Trysmoon Saga 3

The Trysmoon Saga has finally hit "great" in part 3, and despite a few instances of raising eyebrows at inconsistent character behavior (like Gen's sudden lack of emotional and martial mastery at a few dramatic moments), the physical locations and overall plot have ventured into completely unanticipated directions.
