Use the download link to download the file to your computer. If the book opens in your web browser instead of saves to your computer, right-click the download link instead, and choose to save the file.

### Totally Technical- Hyundai's Kappa engine explained

Hyundai engineers have taken the existing 1.2 liter four cylinder Kappa engine and added VTVT (Variable Timing and Valve Train). The i10 is the first small car in the country to receive variable valve timing making it, on paper at least, the most sophisticated 1.2 liter engine in its segment (the Honda Jazz also has an i-VTEC head but is a segment higher).
