In "I Sing the Body Electric," Whitman explores the physicality of the human body. In the first section, the speaker likens the body to the soul and argues that the body does just as much as the soul and in a way, the body is the soul—it does not corrupt the soul,

as was a common Christian belief.

I Sing the Body Electric (album) - Wikipedia

" I Sing the Body Electric " is a poem by Walt Whitman from his 1855 collection Leaves of Grass. Its original publication, like the other poems in Leaves of Grass, did not have a title. In fact, the line "I sing the body electric" was not added until the 1867 edition. At the time, "electric" was not yet a commonly used term.
