A complete IB Math test (with all papers and mark schemes) will cost you 12 USD (for two papers and two answer keys). The IB Math subjects have exams from multiple years, and although we recommend buying more than one test if you can afford it, only buy those published in the last few years (about 2015 onward) as these will be the ones closest to the exam you'll be taking.

If you want to find past IB papers there are 2 different variants of them: you can buy past papers from IB store ( cost some \$ 120 for a whole set) search them online and via some torrented website gather them. I would say instead of gathering past papers, just try to have faith in yourself and the school that you are ready to take the exams.
