Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

Ibm Db2 Database Interview Questions

For example, the Hybrid Data Management community contains groups related to database products, technologies, and solutions, such as Cognos, Db2 LUW , Db2 Z/os, Netezza(DB2 Warehouse), Informix and many others. Navigating the Community is simple: Choose the community in which you're interested from the Community menu at the top of the page.
