Another member of Austin, Texas' blossoming design community, Alana Louise 's branding work projects an earthy ruggedness, as well as laser-focused attention to craft, often with an elevated take on the best traits of vernacular typography. Alana's textured illustrations are strong, straight-to-the-point, and sharp as a tack, all while employing an economy of colors, and playful visual wit.

### **My Love For Paper**

In the UK General Election, support for progressive politics is far more visible in the creative community than pro-Conservative messages are. Yet surveys reveal that not all creative people are left-leaning. Hannah Ellis goes in search of designers on the right and examines the contradiction inherent in an industry predominantly 'of the left' that spends much of its time enabling an ...
