Imperial San Francisco. Think San Francisco is just some peacenik eco-urban utopia? Think again-- this city was built upon greed, corruption, ecological waste, and haphazard technology from its very start. But aren't all cities? —Recommended by Ivy. City Lights Books

Imperial San Francisco: Urban Power, Earthly Ruin - Gray ...

San Francisco is a city clouded in myth. This urban biography provides an entirely new vision of the city's history, laying bare the inner dynamics of the regional civilization centered in San Francisco. Imperial San Francisco examines the far-reaching environmental impact that one city and the elite families that hold power in it have had on the Pacific Basin for over a century and a half.
