In My Own Way: An Autobiography - Alan Watts - Google Books

In this new edition of his acclaimed autobiography — long out of print and rare until now — Alan Watts tracks his spiritual and philosophical evolution from a child of religious conservatives in rural England to a freewheeling spiritual teacher who challenged Westerners to defy convention and think for themselves. From early in this intellectual life, Watts shows himself to be a ...

In my own way began as a place where I wanted to share the things I had learned during the struggle my wife Pat and I had experienced in our battle with her colon cancer. To say the least there were great moments, moments of terror, moments of mental anguish and the moment that said the battle was over and we had lost.
