The people of India have long known that their ancestors once sailed to and settled in the Americas. They called America Patala, "The Under World," not because they believed it to be underground, but because the other side of the globe appeared to be straight down.

India's Five Greatest Empires of All Time | The National ...

The British Empire comprised the dominions, colonies, protectorates, mandates, and other territories ruled or administered by the United Kingdom and its predecessor states. It originated with the overseas possessions and trading posts established by England between the late 16th and early 18th centuries. At its height, it was the largest empire in history and, for over a century, was the ...
