Jizya or jizyah (Arabic: جزيه ; ) is a per capita yearly taxation historically levied in the form of financial charge on permanent non-Muslim subjects of a state governed by Islamic law. The Quran and hadiths mention jizya without specifying its rate or amount, and the application of jizya varied in the course of Islamic history. However, scholars largely agree that early Muslim ...

Stamp duty is a tax that is levied on single property purchases or documents (including, historically, the majority of legal documents such as cheques, receipts, military commissions, marriage licences and land transactions). A physical revenue stamp had to be attached to or impressed upon the document to show that stamp duty had been paid before the document was legally effective.
