Planting 4 acres with a cover crop mix of field peas, buckwheat, sorghum, Sunflowers for a wildlife food plot.

IH 5100 Grain Drill - Major Problems - Yesterday's Tractors

IH 5100 Grain Drill Ken that is a rare one with mechanical lift! We haven't had a request for one like that in years other then from a antique tractor lover about 15 years ago. If you want it could be converted as those drills were nearly the same from a 510,5100,5300 just some different decals and a little difference in the sheet metal for ...

IH 510 Grain Drill Food Plot Seeding with Cover Crops

edit..yeah the one I'm considering is a 5500 also not the 5100. I see a tandem pair of 5100s on tractor house that looks interesting though. I always heard the DD openers were better on the case IH drills than my 8300 JD because of the placement. The CIH ones are one in front of the other whereas the JD ones are not.

International 5100 grain drill - Farmall & International ...

OK I have a IH 5100 Soybean Special grain drill, when planting soybeans its not spot on, but its some what close. But t he big problem has been with planting wheat, and now the same problem with oats. 2 years ago when planting 20 acres of wheat, I had to go over the field 2 and 1/2 times to run the drill out after having it "set" for what it was suppose to be, then the last fall when planting ...
