International, IH DT466, DT530, DT570, HT570 specs, manuals  
I have a '98 International 4900 with a DT-466E. It's a great truck with 700k on it (about 325k on the engine). For a few years it has one bad habit that just got worse. When the outside temp is in the teens it starts fine but right after starting the warn engine light will come on, I would restart it and it would go away.
