The study of international law in the contemporary period is no longer confined to a small cadre of specialist lawyers. Not only it grown substantially as an important field within legal studies, has also become an integral part of the study of international relations or world politics more generally.

Compliant Rebels by Hyeran Jo

International law, like its Siamese twin and enemy, war, remains crystallization of all that keeps world politics sui generis. If the is to be primarily concerned with the distinctive features of systems rather than with the search for regularities, international law becomes a most useful approach to international politics.
