This makes it possible to set your desktop background or screensaver to this feed, so you can have the same office view as the astronauts aboard the ISS.

ESA - Where is the International Space Station?

Goals: While HDEV displayed beautiful video of the Earth from the ISS, the primary purpose of the experiment was an engineering one: monitoring the rate at which HD video camera image quality degraded when exposed to the space environment (mainly from cosmic ray damage) and verify the effectiveness of the design of the HDEV housing for thermal control.
