The Hollow Tree Experiment - The Hiveeyes Project

Simply put: Karina Halle brought it in Into The Hollow, her sixth novel in the Experiment in Terror Series. With Perry and Dex back together as a team, the series returns to its investigative roots, which had been all but absent in the past two books (Lying Season and On Demon Wings) in favor of relationship drama.

Brief note on Kohler's Experiments on Insightful Learning

<p>Students are designing an experiment to determine the conversion of mechanical energy into thermal energy (see the apparatus shown). Small lead beads of total mass 2.7 kg and specific heat 139 J/kg*K fill the lower hollow sphere. The valves between the spheres and the hollow tube can be opened or closed to control the flow of the lead beads.

I rolled over with a groan and felt an explosion of pain in my side. I looked down and as my vision began to right itself, I saw a rock jutting into my stomach, protruding from the cold, snow-blown ground like a weapon. I eased onto my back, the chill seeping through my jacket. My bare fingers tingled as I ran them over my body.
