Another integral part of Oral tradition is the integrating of music. Music plays an important role in African societies. Music, dance and singing are found in every community.

Oral Literature in Africa - 1. The "Oral" Nature of ...

African literature is literature of or from Africa and includes oral literature. As George Joseph notes in his chapter on African literature in Understanding Contemporary Africa, whereas European views of literature often stressed a separation of art and content, African awareness is inclusive: "Literature" can also simply mean an artistic use of words for the sake of art alone. Traditionally, Africans do not radically separate art from teaching. Rather than write or sing for beauty in itself, A
