From those cute phone booths to the Queen, we Americans adore all things England. But what drives our love of British culture?

Introduction to British Literature

Cultural relativism is the practice of assessing a culture by its own standards rather than viewing it through the lens of one's own culture. The anthropologist Ruth Benedict (1887-1948) argued that each culture has an internally consistent pattern of thought and action, which alone could be the basis for judging the merits and morality of the culture's practices.

American Cultural Studies: An introduction to American Culture

"The fourth edition of *American Cultural Studies* provides an introduction that is thoroughly informed by new directions in the discipline - especially, the turn to the transnational - and that reads more 'traditional' topics alongside assessments of subjects that have generally received less attention on American Studies programmes, such as the presence of Islam in the United States, the ...
