Introduction to Topology eBook by Bert Mendelson ...  
Introduction to Topology by Bert Mendelson (1990) This is a reprint of an old book, good for a short undergraduate intro and super cheap. The problems are simple enough and the concepts are well laid out.

Dover Books on Mathematics: Introduction to Topology by ...  
Pros - excellent introduction to topology accessible to me who is well versed with mathematics but not with the notational formalisms. Mendelson does not assume prior knowledge and carries you through the basics of group theory before launching you into the steeper learning of metric spaces and then onto topology. proofs are well elucidated and understandable.
