A watch is only useful if it displays the correct time. Over time, your watch may display the incorrect time as the battery wears down. After installing a new battery, you will also need to reset the time. All Invicta watches have similar instructions for setting the time. Setting the time does not require any tools or equipment.

Invicta Watch Group

Sometimes a chronograph watch can get out of whack and it forgets how to return the second hand back to zero correctly. Luckily on a quartz watch, it's a quick fix if you can find the right sequence.. Here are the instructions for getting the second hand back to zero on Invicta watches.While we cannot guarantee that this process will work for every Invicta chronograph, it will work for most ...
