Frank Delaney's Ireland reminds me of a caduceus, like the staff of the Greek god Hermes, with two intertwined serpents. One of the serpents is the story of a young man named Ronan O'Mara, son of a prosperous Irish attorney, who falls under the spell of the last of the traveling storytellers, known in Gaelic as a seanchai.

Frank Delaney - Wikipedia

Delaney keeps a close eye on plot and connects past and present with subtle, writerly touches: a wild man with tawny hair fights a bear in the misty prehistoric past, then resurfaces, 50 centuries later, to die in the ruins of the Dublin post office, while the Irish landscape itself becomes a key character whose presence spans the centuries, reminding the reader just why the little island should have inspired so much writing to begin with.

Ireland by Frank Delaney: Summary and reviews

Ireland by Frank Delaney is the story of a young boy, Ronan O'Mara, who in 1951 at the age of 9

encounters an itinerant storyteller, who regales Ronan and others with magical tales, blending myth and fiction, of Ireland's past. Ronan is so taken with the storyteller and his stories that he starts a quest to find him, a difficult undertaking as the storyteller has no address - the storyteller wanders the countryside, staying with people who will feed him and give shelter in exchange for ...
