Lindner's "Jane" not only perfectly captures the characters, relationships, and psychological and social issues that were present in Jane Eyre, but all of this makes even more sense when you're reading it from a contemporary perspective. Title: Jane Author: April Lindner Rating: 3 Stars When it comes to JANE, I find it difficult to summon much feeling for this modern re-telling of Jane Eyre. Jane by April Lindner | NOOK Book (eBook) | Barnes & Noble®

I thought that Jane Eyre would be too unrealistic set in modern day because times have changed so much but I think that April Lindner figured out a way to make it work.
