Janson's History of Art: The Western Tradition, Volume I ...

The History of Art, said Janson, was not just a stringing together of historically significant objects, but the writing of a story about their interconnections, a history of styles and of stylistic change. Janson 's text focused on the visual and technical characteristics of the objects he discussed, often in extraordinarily eloquent language. Janson 's History of Art helped to establish the canon of art history for many generations of scholars.
