JCB
JCB is one of the world's top three manufacturers of construction equipment. We employ around 14,000 people on four continents and sell our products in 150 countries through 2,000 dealer depot locations.

Jcb 3CX Manuals
The yellow color of special equipment was first used by Caterpillar - a brand with a long history of special equipment production. JCB cars were originally painted blue and red. But the decision to change the color was made, first of all, because the yellow color on the construction site draws attention to itself, which means it calls for attention.
