TractorData.com John Deere 4020 tractor information
The first 4020 standards had the same fenders that the 4010 tractors wore. For 1965, 4020 standard tractors began using a different type of fender that included headlights in the front. These more closely matched the fenders used on row crop 4020s and the 5010. By 1969, Deere decided that the 4020 could use a bit of a revamping.
